NOVI SAD FAIR

www.novisadexpo.com

Novi Sad Fair has been developing its main activity, namely hosting fairs and exhibitions, for over nine decades. In addition, it organizes congresses and professional meetings, rents its premises to other event organizers from both the country and abroad, and offers business partners a wide range of corporate and promotional programs. Novi Sad Fair hosts 15 fairs each year, including one of the most well-known - the International Agricultural Fair, which is also one of the five largest European events in this field, and a member of the UFI organization. Regional fairs are dedicated to fields such as hunting – also part of UFI membership, as well as tourism, whereas specialized professional fairs are dedicated to books, art, education, investments, energetics, gastronomy, horse breeding, goldsmithery, etc. Up to 150 events are organized in the Congress Center each year – among them professional meetings, symposiums, congresses, presentations, and promotions which boast as many as 18.000 participants.
